'FEEL THE VIBE' (TIL THE MORNING COMES)

**VOCAL CLUB MIX / SEAMUS HAJI BIG LOVE REMIX
INSTRUMENTAL CLUB MIX**

*****The wait is over, the time has come*****

Power Promotions are 'oh so proud' to exclusively present to you the track that is about to be hammered day in day out in every **UK/IBIZA/MIAMI** club in it's original and brand new versions.

Already reaching anthem status through its original instrumental version the hype and buzz elevated further and gained a front of the box placing from the likes of **Tong, Morillo, Fontaine** and co. Now the mighty **DATA** records blow us all away with a 1st class Gold platinum package of reworks c/o **Seamus Haji**. This limited 12" vinyl also contains the brand new vocal club mix and an instrumental for those who just opt for the groove!

The new vocal version takes **'Feel The Vibe'** to newer heights injecting the whole VIBE with a more accessible feel that will have the masses singing like lightning. **Seamus Haji** takes things on an Electro fringed journey substituting that slap bass with the filthiest of electronic stabs. A definite winner for the Summer and set to stay in those boxes until 1210's become 1220's!

It's no surprise that we are making this **OUR V.I.P NUMBER ONE CHART AND EXPOSURE PRIORITY** so ensure that you return your reactions and charts in order to put this record exactly where it belongs! Enjoy the limited 12" and **'FEEL THE VIBE'!!!!**
