'MY LIFE'

HAJI & EMANUEL / GRANT NELSON MIXES

Shaping up to be one of the winter's massive anthems we are pleased to be servicing the sensational **Chanel 'My Life'** forthcoming via **Hed Kandi**. **Pete Tong's (Essential New Tune** and played six weeks in a row on **Radio 1**) and gaining the support from **Michael Grey, Justin Wilkes, Disciples Of Sound, Cut Up Boys** and features here in this limited double pack with re-works from men of the moment **Seamus Haji & Paul Emanuel** and **Grant Nelson**. First up is the massive **Haji & Emanuel** Vocal mix that just screams peaktime action, **Chanel's** stunning vocal performance shines on their production and will have people singin' and dancing from here to kingbucktoo. For the less vox minded the boys have also delivered an instrumental and with the production so unique will surely not disappoint. Next up we have the **Grant Nelson Neo Funk** mix and as the title suggests a pure funk bomb, for the more soulful boys out there we have the **Grant Nelson** vocal and dub. So once more **Hed Kandi** deliver one package that guarantees peaktime action and is **One Essential Number One Priority** for **Hed Kandi** and **Power** in the forthcoming weeks.
