****ESSENTIAL NUMBER ONE PRIORITY****

CREAM Vs THE HOXTONS

SUNSHINE OF YOUR LOVE

CLUB MIX / DISCO DARLINGS REMIX

Cream's massive '**Sunshine Of My Love**' gets the 2005 treatment from Hoxton's finest the **Hoxton Whores**. With over 2000 copies already sold just on White Label

'**Sunshine Of My Love**' looks set to catapult into the Charts when released via **Manifesto Records**. Already seeing Support from **Pete Tong, Judge Jules, Norman Cook, David Clarke, Matteo Esse, James Hyman, Deepgroove, The Sharp Boys** and Ministry Of Sounds very own **Marc Hughes** to name a very small selective few.

The **Hoxton's** deliver one killer club mix fusing their trademark beats, infectious basslines and that famous **Cream** vox and riff, the result is a House classic in the making and destined for peaktime action. For remix duties we have the **Disco Darlings** opting for a more chopped up groove but still adding enough impact for peaktime plays. No doubt to say this is **One Essential Number One Priority** in the forthcoming weeks. **Online reactions are Vital!!!**
