FREEMASONS

FEATURING AMANDA WILSON

LOVE ON MY MIND

CLUB & DUB / KING UNIQUE / SHARP BOYS MIXES

Summer has definitely come early this year. 'Love On My Mind' from the **Freemasons** is a cool slice of vocal heaven that incorporates big and beautiful strings and infectious as hell lyrics. Already shaping up to be one of the anthems of the year it features here in it's original and dub format. Already gaining heavy support from **Pete Tong** (Five Plays alone on his Essential selection), **Judge Jules**, **Seb Fontaine**, **Mark Wilkinson**, **The Beginerz** and so so many more to mention.

Loaded also employ **King Unique** and **The Sharp Boys** for remix duties. **King Unique** inject their own dose of medicine into this little beauty and really show why they are in such high demand at the moment. Their vocal mix provides us with just that while incorporating a very deep yet uplifting vibe alongside their trade punched up beats, Everyone has been catered for the K-U dub is set to destroy anything and anyone in it's path. The **Sharp Boys** have also gone to town and have done the track major justice by beefing the track up just enough to take it into the funky peaktime vicinity. They compliment each and every element while adding a uptempo percussive drive. **WHAT A F*** OFF PACKAGE!!! YOU WAS HAND PICKED TO GET THIS LIMITED GEM. REACTIONS AND CHARTS HAVE NEVER BEEN AS IMPORTANT!**
