****ESSENTIAL NUMBER ONE PRIORITY****
NUMBER 1 COOL CUT CHART & TOP 3 BUZZ CHART

X-PRESS 2

'GIVE IT'

EXTENDED CLUB MIX / SWITCH 'GIVE IT MORE' REMIX
BEATLESS MIX / PROBLEM KID REMIX

With anthems such as **Lazy**, **Muzikizum**, **Smoke Machine**, **AC/DC** and **Rock 2 House** already under their belt, **X-Press 2** are back to take the summer by storm with the massive anthem in the making **'Give It'**. Featuring the vocals of **Lambchop's Kurt Wagner**, **'Give It'** is so distinctive it will have you instantly mesmerised. The track is built around the deadly catchy vox of **Wagner** along with it's hauntingly gospel backing. It has that instant appeal for daytime radio and looks set to follow in the footsteps of **'Lazy'**. A firm favourite with **Pete Tong** and Co, whilst reaching **Number 1** in the **Cool Cut** chart and reaching **Top 3** of the **Buzz**. For remix duties **Skint** call upon **Switch** and **Problem Kid**.

With **Switch** being so consistent of late, what they do to **'Give It'** is pure magic, taking the whole groove down a more minimal route but ensuring enough impact to make this a big backroom spinner. The **Beatless** strips back the drums and concentrates on the distinctive **Wagner** vox and gospel chants and last but not least we have the **Problem Kid** remix, keeping to the original elements but adding his own unique production and ensures this will be perfect for any peaktime floor . No doubt to say this is one **Essential Number One Priority** for **Power** and **Skint** in the forthcoming weeks. Online reactions are essential!!!
